1. Applicant is given **no new time period** if the non-compliant amendment is an after-final amendment or an amendment filed after allowance. If applicant wishes to resubmit the non-compliant after-final amendment with corrections, the **entire corrected amendment** must be resubmitted.
2. Applicant is given **one month**, or thirty (30) days, whichever is longer, from the mail date of this notice to supply the correction, if the non-compliant amendment is one of the following: a preliminary amendment, a non-final amendment (including a submission for a request for continued examination (RCE) under 37 CFR 1.114), a supplemental amendment filed within a suspension period under 37 CFR 1.103(a) or (c), and an amendment filed in response to a *Quayle* action. Explanatory Attachment to Notice of Non-Compliant Amendment

Effective 30 July 2003, amendments filed under 37 CFR 1.121 must be filed using the following rules:

(A) When there is any amendment to a claim, a claim listing of all claims ever presented in the case must be supplied in ascending numerical order. The claim listing must include (1) the claim number of every claim ever presented in the application whether entered or not, (2) a single status identifier, in parenthesis, following each claim number, (3) the text of all pending claims (including withdrawn claims), and (4) markings (underlining, strikethrough) showing the changes made only in the current amendment relative to the immediate prior version. The claims in the claim listing of the current amendment will replace all prior versions, and listings, of claims in the application. Only seven claim status identifiers may be used: original, currently amended, canceled, withdrawn, previously presented, new, not entered. No other status identifiers will be permitted. Grouping of consecutive canceled claims, e.g. claims 1-25 (canceled) is permitted and canceled claims should not include the text of the claim.

The amendment to the claims filed 01 March 2007 is non-compliant insofar as the status identifier "Withdrawn" as set forth in claims 10, 18-22, 29-31 and 33-37 is incorrect. See the office action dated 31 January 2007.
